

# Blade

1.6 kW Automatic Hand Dryer  
Energy efficient

p.74

## Usage

A modern stylish design suitable for many public washroom applications including restaurants, shops and shopping centres, office buildings, pubs, motorway services, factories and supermarkets. A built in HEPA filter helps reduce the development of bacteria making this an ideal solution for speciality markets where regulatory and compliance guidelines influence product specification. The blade is one of our most energy efficient hand dryers.

## Features and Benefits

- Modern stylish design
- Intelligent ergonomic construction
- High speed giving fast drying times
- Energy saving
- Built in HEPA filter reduces the development of bacteria
- Intelligent temperature control - heating element switches off when room temperature is above 25°C
- Robust design ensures durability and reliability
- 1.6 kW power rating
- Available in white and silver
- Integral drain tank with water level window
- Blue LED drying indicator
